

USEFUL VEGETABLES.

A SPROUT.

In the heart of a seed buried deep, so deep, A dear little plant lay fast asleep.

"Wake!" said the sunshine, "and creep to the light."

"Wake!" said the voice of the raindrops bright.

The little plant heard, and it rose to see

What the wonderful outside world might be.

A VINE BEGINNING TO GROW.

To Do!

Look on the internet or in books or ask people to find the answers to these questions.

What vegetables grow in your neighborhood?

Of which vegetables do we use the roots as food?

Of which vegetables do we use the leaves as food?

Of which vegetables do we use the seeds as food?

Of which vegetables do we use the stems or stalks?

Which is the most useful garden vegetable?

There is no common garden vegetable so highly thought of as the potato. How are potatoes planted?
